

**Presidents Home  
Party with T'Haas**

5:28 PM Wednesday, August 17 2011 East

4. This is at Grand Valley's Presidents home, Thomas Haas. Every year he gives recognition to resident assistant and housing staff and serves them dinner in his back yard. I have been here twice in the past years. (Absolute Location)

**Time to visit mommy!  
St. Petersburg, Florida**

3:24 PM Thursday, March 8 2012 Southwest

5. This is at the bottom of St. Petersburg! My mother recently moved here for work and now I get the pleasure of seeing her and this beautiful place on breaks! (Natural Place)

**Chemical Bank  
Work**

Was not taken by myself  
([http://www.downtownstlouismi.com/1/207/ImageLib/320\\_1\\_ChemicalBank2%281%29.jp](http://www.downtownstlouismi.com/1/207/ImageLib/320_1_ChemicalBank2%281%29.jp))

10. This picture is of Chemical Bank. I have worked here for about three months at the Grandville location. We serve the Michigan communities with great customer service. (Movement of goods and services)

**Cheyann Gilson**

**SST 309 Geo Diary**

**Battle Creek, Michigan  
My hometown**

2:07 PM Friday, May 2011 Southwest

1. This is the Kellogg house in downtown Battle Creek on Monroe St. The Kellogg house is the house in which W.K and John Kellogg grew up. They together were the founders of Kellogg cereal. (Absolute Location)

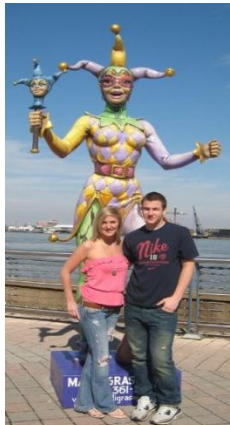

**Geology  
Mackinaw, Michigan**

9:30 AM Saturday, September 10 2011 East

2. This picture was taken in Mackinaw, Michigan during a geology field trip. We are at the Harvey quarry right off the highway. This is a beautiful region. (Natural Region)

**Travel  
New Orleans Culture**

3:00 PM Sunday, March 7 2010 Southeast

3. This picture is in New Orleans right near the port. I traveled here during spring break a few years ago and loved the New Orleans French Culture. (Place/Human Characteristics )

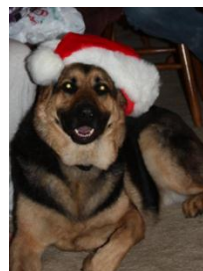

**Wildlife  
The science teacher in me!**

12:30 PM Monday, March 5 2012 West

6. This is Rosie from Busch Gardens, Tampa. I love the wildlife and love spending time watching how they interact with the environment and others. I like also to see the way humans interact with the animal and change the environment to fit the animal's needs. (Human/environment interaction)

**Traditions  
Christmas**

6:35 AM Sunday, December 25 2011 West

7. This is a picture of my dog Roxie. She is a part of a new tradition I have with my Boyfriends and his family. Everyone gets their pictures taken with the Santa hat even the animals! (Movement of Ideas)

**Allendale, Michigan  
Home away from home  
Grand Valley**

5:15 PM Thursday, April 30 2009 Southwest

8. This is the clock tower that sits in the center of Grand Valley State University campus in Allendale. Michigan. Over 20,000 students attend college here a year, including myself! (Movement of ideas)

**Allendale, Michigan  
Kleiner Commons/ GVSU**

4:40 PM Saturday, April 16 2011 North

9. This is Kleiner commons of Grand Valley State University. Kleiner is located on North Campus Freshman housing and is one the the many eating facilities. I have had the pleasure of eating here for three years for free being a Resident Assistant. (Movement of goods and services)
