WHO AM I QUESTION LOG

Directions: Write down the person you ask the question to, the question and the answer to the question (yes or no). Analyze each question to make the next question to ask. Once you have discovered who you are write the number of question you asked on the board and take a seat. Remember ask appropriate question. If you need more room write on the back of the paper.

Question number	Who did you ask?	What question did you ask?	Answer (YES/NO)
